

# Technology Provider Membership

Together, we power learner potential.

## Your ongoing commitment with 1EdTech makes it all work.

The best part of joining the 1EdTech community is our continuous work to improve educational technology.

Whether as a Contributing, Affiliate, or Alliance member, our “Go get ‘em” spirit fuels our determination to meet the growing demands of today’s learners and be ready and able to solve the challenges teachers, admin, and all stakeholders will face in the future.

Need help in determining which 1EdTech membership level is right for you? Learn more at [1edtech.org/about/membership](https://1edtech.org/about/membership).

“1EdTech consistently demonstrates its value and trust by enabling timely integrations and interoperability with our customers. Participating in the 1EdTech community and getting our products certified shows our commitment to advancing secure and innovative digital learning ecosystems.”

**Rick Johnson,**  
Co-Founder and  
Vice President of Product Strategy  
VitalSource

## Join the brightest minds in education and technology

1EdTech Technology Provider members bring their effort, expertise, and enthusiasm to improve digital teaching and learning experiences every day. Through our work, we are at the forefront of a digital transformation to power learner potential. Our united community allows Technology Providers to stay ahead of what’s next, influence the market, and benefit from unparalleled support to certify open, innovative, and trusted products.

Our collaboration with K-12, higher education, and corporate learning continues to lead the way in making positive impacts in classrooms, administrative offices, and homes around the globe. We can’t wait for you to join us!

## Three membership levels to meet your needs

Whether you’re a start-up launching a new product or a well-established company looking to evolve your standards-based learning solutions, we all have an important part to play in shaping an open, innovative, and trusted ecosystem. We designed our Technology Provider membership options with you in mind.

### Contributing Member

Show your leadership in guiding 1EdTech initiatives, technical work, and events while benefiting from expert resources.

### Affiliate Member

Access various programs and technical resources to ensure seamless implementation of 1EdTech open standards.

### Alliance Member

Get self-service development resources and the ability to certify your products in the specification area of your choice.

# Technology Provider Membership Guide
